1:00PM - 3:00PM: Chad Simmer and Faith Shariff will hold a "Positive Reinforcement Seminar" for dogs of all ages. This seminar will cover positive reinforcement techniques as they apply to gundog training. Come see why this training technique is rapidly gaining popularity in gundog circles. Not only is this type of training fun and easy, it is the fastest way to teach your dog new behaviors. Unlike many forms of training, marker training can be used with puppies as young as 8 weeks old to accelerate house training and teach sit, down, stand, whoa, come, heel, loose leash walking, paying attention to the handler, and train in calmness.

(Seminar will be held at Hooley Hall, Lake Elmo Fairgrounds). The address for Hooley Hall is: 12300 North 40th Street, Lake Elmo, Minnesota 55042

If you have questions about the seminar, please contact Chad Simmer at chadsimmer@comcast.net or 651-245-1978
